REMEDY CREAM HIGH MOISTURE

FOR NORMAL AND DRY SKIN

Fine and comfortable product, it absorbs quickly and brings immediate well-being to the skin. To be applied in the morning and evening on perfectly cleansed face and neck whenever dehydration makes the skin feel uncomfortable. Based on hyaluronic acid and organic salicornia extracts.

Moisturizing, re-epithelializing and regenerative. Continuous thermal balneotherapy for the face.

It smoothes the skin, restores the water balance and ensures a radiant and soft skin.

ACTIVE INGREDIENTS

HYALURONIC ACID helps the skin maintain ideal hydration. It forms a thin film that helps the skin stay young, healthy, smooth and elastic by acting as an excellent water reserve.

HERBACEOUS SALICORNIA ORGANIC EXTRACT reinforces the highly moisturizing hydro-lipid barrier. It reduces water loss by stimulating the production of the natural moisturizing factor which is the heart of skin hydration.

REMEDY CREAM DEEP HYDRATATION FOR VERY DRY SKIN AND DEHYDRATED SKIN

Rich and nourishing product ensures deep hydration. Very dry skin lacks lipids and when it is dehydrated it tends to crack. To be applied in the morning and evening on perfectly cleansed face and neck whenever dehydration makes the skin feel uncomfortable. Based on hyaluronic acid and organic Salicornia and Acanthium extracts.

Continuous balneotherapy for the face. It enhances skin repair by stimulating cell synthesis.

Provides sugars and flavonoids for deep hydration of the skin and ensures a radiant and soft skin

ACTIVE INGREDIENTS

HYALURONIC ACID helps the skin maintain ideal hydration. It forms a thin film that helps the skin stay young, healthy, smooth and elastic by acting as an excellent water reserve.

HERBACEOUS SALICORNIA ORGANIC EXTRACT reinforces the highly moisturizing hydro-lipid barrier. It reduces water loss by stimulating the production of the natural moisturizing factor which is the heart of skin hydration.

ORGANIC ACANTHIUM EXTRACT stimulates skin regeneration and promotes skin repair.

REMEDY CREAM GEL HYDRATATION FOR VERY DRY SKIN AND DEHYDRATED SKIN

cream-gel fresh and immediately absorbed. To be applied in the morning and evening on perfectly cleansed face and neck whenever dehydration makes the skin feel uncomfortable. Based on hyaluronic acid and organic salicornia extracts.

Moisturizes the skin avoiding the glossy effect.

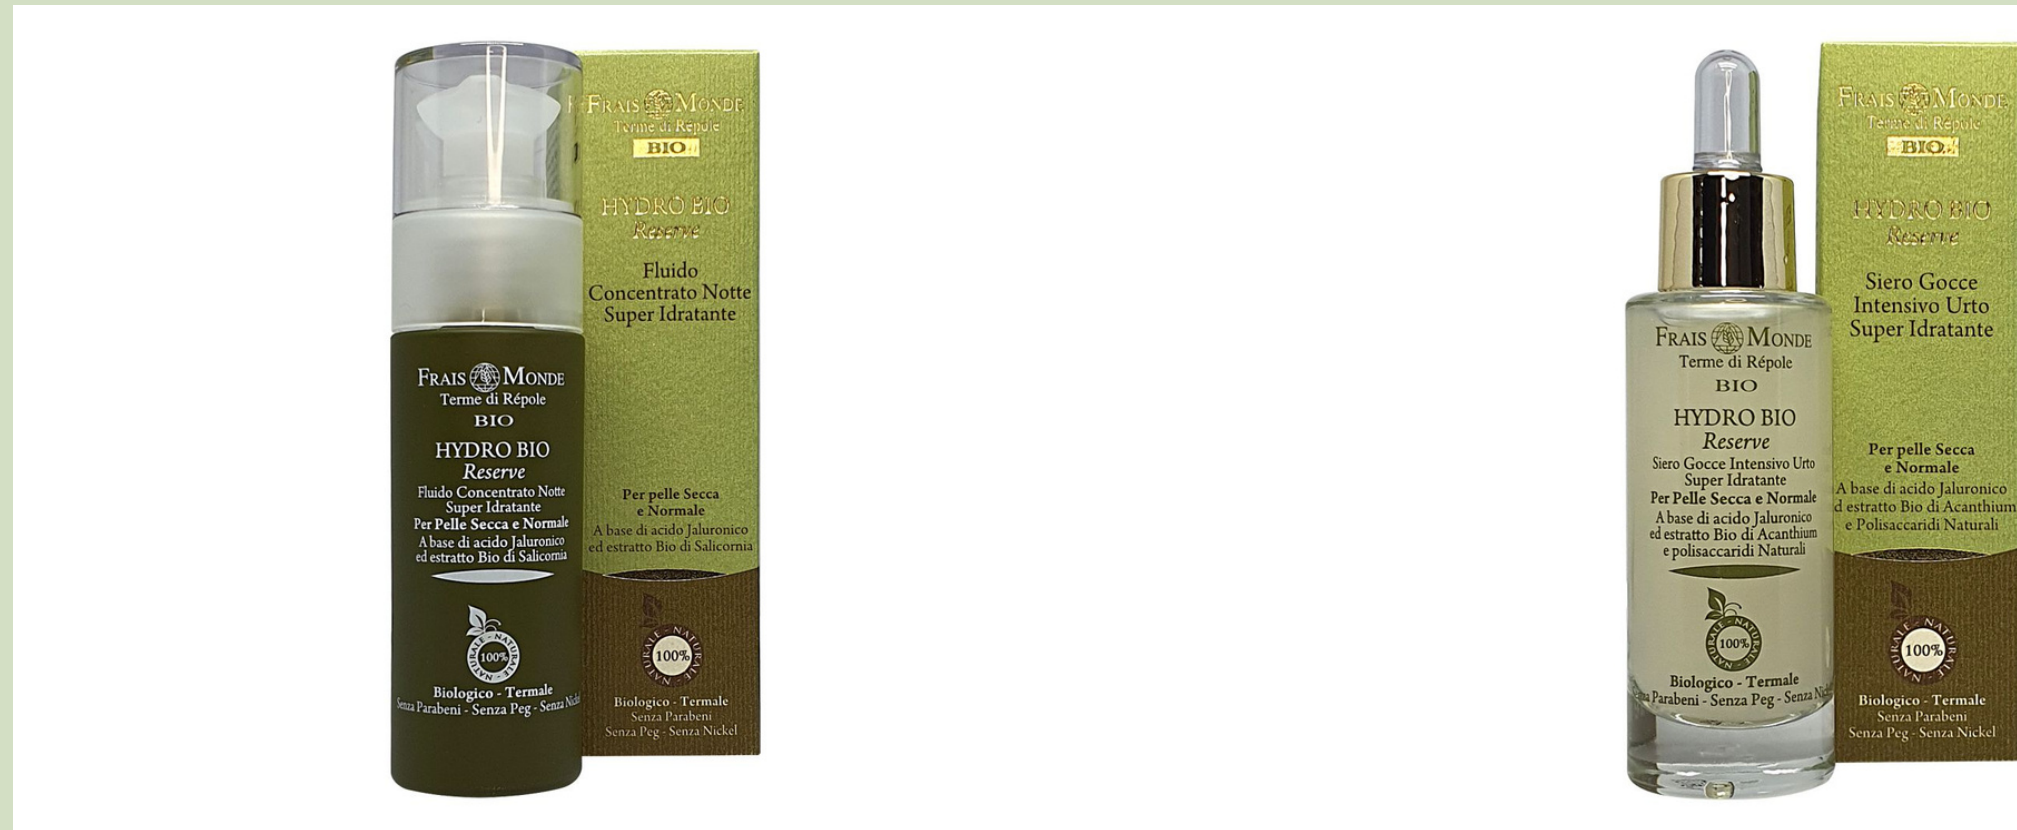

Forms an imperceptible film on the skin which becomes soft and silky, ideal for combination skin.

ACTIVE INGREDIENTS

HYALURONIC ACID helps the skin maintain ideal hydration. It forms a thin film that helps the skin stay young, healthy, smooth and elastic by acting as an excellent water reserve.

HERBACEOUS SALICORNIA ORGANIC EXTRACT reinforces the highly moisturizing hydro-lipid barrier. It reduces water loss by stimulating the production of the natural moisturizing factor which is the heart of skin hydration.
