

## NATURAL MAKE UP FUNCTIONAL, ANTI AGE HYPOALLERGENIC THERMAL SPA\*

It is made with natural mineral powders brand new, light, matt and silky to the touch covering evenly. micronized so fine as not to clog pores. Functional because these powders are compacted only by the addition of vegetable oils on the skin active (borage oil, evening primrose oil, macadamia oil).

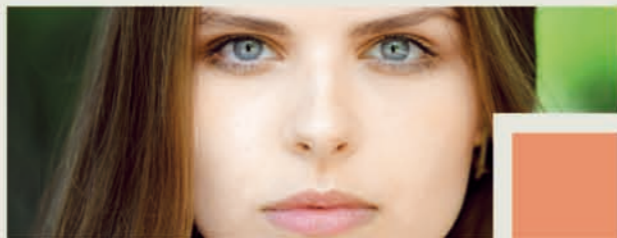

Anti age because the active ingredients included in the formulation are nutritive, protective and anti-wrinkle.

Hypoallergenic, formulated to reduce the risk of allergy.

\*THERAML SPA is a unique and innovativeline with the addition of precious and active mineral thermal salts derived by sulphurous thermal waterof Repole whose therapeutic properties to the skin are certified by the Ministry of Health. The thermal salts have many different activities thanks to their main actions of high hydration, protection, regeneration of tissue, cellular oxygenation, restructuring of the dermis, the reconstruction of the lipid film, nutrition and improving the appearance of the skin.
